OTHER COMMENTS*****

=====

The originally authorized use of water is described herein, however, the claimant has filed a change application number a29501 to amend the water use under this right. The change application proposes to change the beneficial use to municipal purposes. Change application [a29501] for this amendment is being processed by the State Engineer.

As part of the change application process, required proof of beneficial use documents will evidence and define the amendment.

This water right is under an approved non-use application.
